ARKANSAS

STATE SERVICE PROJECT

The Leaders Who Made Us focuses on honoring the leaders who have impacted your life and community through service and appreciation.

- Locally: Choose a leader or organization to support. Then you can make care packages, write appreciation letters, etc.
- Regionally: Participate in your Region's community service initiative.
- State: Donate items to help create care bags for healthcare professionals who serve Arkansas families every day.

STATE THEME

Where Leaders are Made

WHERE LEADERS ARE MADE FOCUSES ON...

Leaders are not born; they are made through experience, growth, and the courage to take the first step. Every student has the opportunity to explore their potential, develop their voice, and become the kind of leader who makes a difference. FCCLA is where that transformation begins, and Where Leaders Are Made.
